Just a Little of This & That By W. E. W.

Too Realistic
No one would object to being called a flat tire in the days of the old time tire, but in these days of balloon tires that appellation would make most anyone mad for when a balloon tire is flat, it certainly is in awful condition.

Happy
Up in my neighborhood where I live a little while each twenty-four hours, we're all just as happy as can be and it's all because a little boy came to town yesterday.

The parents of this little boy are Mr. and Mrs. Geo. Cassell, and mother and baby are getting along perfectly and Papa George he's "high-tatin'" a couple of his neighbors because their first-born were girls.

Impossible
Aimee Semple McPherson passed through Upland at one o'clock today enroute to Denver and last night before leaving she said to her flock, "I thought at first I'd just leave very quietly. I thought I'd get into my car here and be driven to some little station along the Santa Fe and there take the train. But some of my friends object. They want to come down to the Santa Fe station and bid me goodbye and after all I don't see any reason why all those that desire shouldn't do the same thing."

Knowing Aimee as we have learned to know her in the past year that leaving quietly is simply not in her system. She couldn't any more leave any where at any time quietly than a Ford can back away from the curb and be on its way without disturbing the entire neighborhood.

But here's good luck to you Aimee and as Pullman says on his coaches, "Watch Your Step."

Living
I was visiting with a man the other day and in referring to an illness he had some time since he said, "I never realized what a wonderful place we have here in which to live, but after I was released from the hospital life looked better to me than it had in all the years that I had lived and now every day looks good to me."

"Money making, of course, is necessary but enjoying the out-of-doors, guarding our good health is really the only important thing that we should be concerned about."

This man had once experienced going down into the valley of the shadow of death. Friends and neighbors, as well as his relatives and physicians had all but given up hope that he would recover. But this man came back to the fullness of real living and every day is as precious to him, even more so, than those days of other men who figure quite largely in dollars and cents.

All of which brings to mind the query, "Is an illness necessary in order that we who have never been seriously ill may really appreciate the sunshine and rain, the wind and the cold of the days that come and go and gradually disappear into the years that we spend on this earth?"

This man's experience should impress those who have always enjoyed good health, that they should guard that treasure as something almost sacred and while enjoying good health get all that's possible out of every day.

The next time you find yourself abusing your good health dwell on the experience of this man for each day is a blessing to him.

Makes A Difference
When a newspaper man was appointed to a state commission by Governor Richardson the San Bernardino Sun seldom referred to the man's ability but dwelt on the fact that he was appointed because he owned a newspaper.

Editor Baumgartner of the Santa Ana Register, who supported Governor Young along with the San Bernardino Sun, although the Sun had a first choice in R. B. Good.

REMOVAL OF RAILS ABANDONMENT OF PORTION OF BUS LINE BEFORE COM.

FEB. 1 SET AS DATE FOR
HEARING BEFORE R.
R. COMMISSION

Cities Have Already Granted
Permission For Removal of
Tracks—Bus Line Abandonment To Be Decided

Removal of the rails of San Antonio Heights electric line and discontinuance of present bus service from Twenty-fourth street to San Antonio Park will be the main features before a session of the Railroad Commission to be held at the city hall here on Tuesday, February 1st, according to a notice received here Saturday by City Clerk Mehl of Upland. City Clerk Wynne of Ontario, and the Board of Supervisors of San Bernardino County.

Ontario city is concerned because of the fact that one rail from the main line of the Pacific Electric north to Tenth street is in that city. The line to Twenty-fourth street is in the City of Upland and from Twenty-fourth street to San Antonio park it is in the county.

The city councils of both Ontario and Upland have already given their consent to the removal of the rails within the cities and the Board of Supervisors will probably do the same thing in the county, but the abandonment of the bus line from Twenty-fourth street to San Antonio Park will no doubt experience some objection because there are several on San Antonio Heights using the bus now who have no other way to travel to and from their homes. If the bus line is given permission to establish its terminus at Twenty-fourth street these patrons of the bus line will have to walk from their homes to the terminus. Commissioner Williams will be in charge of the hearing held here February 1st at the City Hall.

ANNUAL MEETING OF BUSINESS MEN

Prof. Williams of Pomona College To Present Magic Program — President Reynolds To Preside

Annual meeting of the Upland Business Men's Association is scheduled for Friday night at the Upland Woman's Club house, the ladies of the club serving the dinner.

V. H. Wilson is chairman of the committee having the arrangements of details in hand and the main feature of the evening is to be Professor Williams of Pomona College who is known through this district not only as a college man but as a magician.

Two minute talks are to be another feature of the evening many business men of the city appearing on the program.

President W. C. Reynolds will act as toastmaster of the evening.

Supervisors Oppose Abandonment of P. E. Lines North of Here

Proposed abandonment by the Pacific Electric Railway of its bus lines on Enfield Avenue from 24th Street to the San Antonio Heights, north of Upland, will be opposed by the board of supervisors.

On motion of Supervisor C. E. Grier the board yesterday requested District Attorney G. H. Johnson to represent the county at the hearing before the state railroad commission at Upland, Jan. 25, and protest the application for the discontinuance of the service.

In its application the railroad contends that the operation of the line is unprofitable.

MATHER SPEAKS TO THE YOUNG MEN'S CLUB

Procedure of Congress Is Told
By Chaffey Teacher—Basketball Season To Open Next Monday Night

Mr. W. W. Mather addressed the Young Men's Service Club at its regular meeting last night. Choosing as his subject "Congress In Session," Mr. Mather of the Upland Lions, fully explained the procedure of our law making bodies.

The use of the filibuster was discussed at length and the curtailment placed on this practice was told. Mr. Mather vividly described Congress in action as he has viewed it at various times. The regulations in regard to open and closed sessions, seating arrangement, appointment of committee chairmen and form of bringing a bill up for legislation were described. Mr. Mather had the privilege of viewing the counting of the Electoral vote before Congress and he brought the ceremony to the young men very clearly.

Guests last night were: Wm. Mitchell, Upland Y. M. C. A. secretary and Ernest Olson of the Ontario Junior Lions.

At a short business meeting, during the evening, Ronald Poole was elected captain of the Club basketball team. The schedule of games was announced, the first being Methodist Church vs. Young Men's Service Club on January 17, 8 P. M. Everyone is invited, and no admission will be charged. A design for a club ensignia was submitted by one of the members but no action taken at this time.

The "Vision" was out on time as usual and seems to be improving every issue. Many good articles were contributed by members and the editor handled his material very nicely.

COUNTY HEALTH GOOD AS NEW YEAR OPENED

San Bernardino County is in a healthy condition, according to a report issued by County Health Officer Dr. E. L. Tinsinger, following a survey of the county. Fewer cases of contagious diseases were found in the county at the beginning of 1927 than at the same time for a number of years past. It was stated today.

In 1926, several cases of smallpox, measles and other contagion have infested the county in many sections and in some districts causing the closing of the schools for a short time. Several deaths also were reported from diphtheria but as the new year opened, Dr. Tinsinger said he felt the contagion was under control and practically stamped out.

Small Epidemic Reported
During the ensuing 12-month period, every effort will be made by the county health officer and his staff to keep disease to a minimum, especially in the foreign quarters of the various cities. A statistical report reveals the fact that the majority of the disease in the county during 1926 either had its origin or was found in the Mexican districts of the cities.

When school opened in San Bernardino County, a few cases of diphtheria were reported in the west end of the county, especially in and near Ontario and Upland. However, the cases were quarantined at once and some of the schools closed by order of the health officer, which resulted in the small epidemic being stamped out in a short time.

Desert Has Clean Bill

Records show that the desert section of the county had a clean bill of health than any other district, this is said to be due to the fact that the population is sparse and disease finds a better foothold this side of the mountains because of the climatic conditions. A few cases of contagious disease were treated at the county hospital during the past year, the annual report shows.

COUNTY TAXES ARE AGAIN DUE

Collection of Second Installment of 1926-1927 Levy Begins Monday—Large Sum To Be Collected

Second installment of 1926-1927 county taxes, calling for payments of \$1,724,208.16, become due today, it was announced yesterday by County Tax collector John W. Batchelor.

The collection will be made at Mr. Batchelor's office on the second floor of the new courthouse, where the collector's office was recently transferred.

The payments on the second installment become delinquent on the last Monday in April—April 25.

The total tax list for the 1926-1927 taxes calls for payments totaling \$4,008,178.88, of which more than 50 per cent was paid in the first installment.

The tax rate for San Bernardino proper is \$6.73. The rate varies in other parts of the county, assessments being made by school districts and the amounts varying according to requirements of the school and special district funds. There are 86 school districts in the county.

L. E. BEHYMER TO SPEAK AT CHAFFEY

Noted Impresario Coming Here
Friday to Explain the Nature
and Scope of "The Miracle,"
Epoch-Making Production

Recognized everywhere as the most extraordinary achievement of the modern theatre, "The Miracle" heretofore seen in America in but six of the leading cities, is now to be shown in San Francisco and Los Angeles.

"The Miracle" is so utterly different in conception and treatment that one can scarcely anticipate the nature of the production. A vast multitude of actors are employed, yet not to speak. Their action and pantomime are carried on to the accompaniment of a symphony orchestra, the score having been composed by the famous composer of "Hansel and Gretel," Humperdinck. A great choir sings, also and the pipe organ lends its atmosphere to the various scenes. The entire theatre has been transformed into the interior of a great Gothic cathedral in which the audience sits as though in the very church itself.

So great has been the interest in this epoch-making production that the manager of the Los Angeles presentation, Mr. L. E. Behymer has been called upon to address numerous audiences throughout Southern California. West end art lovers will be pleased to learn that Mr. Behymer will speak at Chaffey Auditorium next Friday morning at 11 o'clock, explaining the nature and scope of "The Miracle" and in general giving such an address as will better prepare the minds of those interested to enjoy this extraordinary spectacle. Admission will, of course, be entirely free. This appearance of Mr. Behymer has been arranged by the High School and arranged by Mr. Blakesslee, for the benefit of the public and it is hoped a large audience will greet Mr. Behymer.

Red Hill Golfers To Meet Oakmont Club In Matches

Red Hill Country Club golf team is to get into action Wednesday when it meets the Oakmont Club at Oakmont in the first round of the Southern California Golf Association Club matches.

Personnel of the Red Hill team includes: C. Smith, J. B. Black, Veeder South, N. H. Lawson, Jack Howes, C. E. Neill, N. E. Trautman, O. P. Brady, L. M. Blackmer, F. M. Taylor, C. M. Kirkwood, J. Hawley, H. Anderson, R. J. Tobey, A. Gemmert, H. Brown. Substitutes: W. M. Kincaid, Paul Thonhoff, M. K. Nelson and N. A. Godsave.

MISS HANSON IS SPEAKER BEFORE BUSINESS WOMEN

Exhibit of Japanese, Chinese and Filipino Costumes Interests Hearers—Mrs. Mark Bailey, President, Presides

Speaking in an interesting manner on the various races in the Hawaiian Islands, Miss Edith Hanson held the close attention of more than fifty of the Business and Professional Women's Club members at their noon meeting at the banquet room of the Davis Cafe on Monday. Miss Hanson, who has spent six years on the island of Kauai as a social worker has a keen insight into the character of the seven or eight different nationalities with whom she came in contact, and illustrated her talk with personal incidents which proved her general statements of conditions existing on the island.

"The Hawaiians," said Miss Hanson, "are a very cordial and lovable race and their hospitality is shown to everyone visiting the island, irrespective of race or creed. The Chinese were the first Orientals to come to the islands and were followed by Koreans. Then came Portuguese and Portuguese and were followed by Japanese. These latter are the most numerous now on the islands and are very courteous and likable. The Filipinos were the last to be brought to the islands as laborers."

All these people are American citizens and Miss Hanson emphasized very strongly the fact that although they were of foreign born ancestry and of different creeds and backgrounds they nevertheless had become a real and loyal American citizenry.

An interesting feature of the talk was the exhibit of Japanese, Chinese and Filipino costumes. The Japanese costume was worn by a Japanese Chaffey student, who had never before worn a Japanese dress. Miss Grace Adsett posed in the Filipino costume.

Miss Hanson, who was a member of the Upland Club, was the organizer of a Business and Professional Women's Club in Lihue, Kauai, where all the offices are held by women of different races and religions. The club has nineteen members who are planning to join the Federation.

At the close of her talk, Miss Hanson showed Hawaiian leis of peacock feathers, pictures and Hawaiian household articles which were examined with great interest by the Club members.

At the business meeting which preceded Miss Hanson's talk, Mrs. Mark Bailey presided. Mrs. R. B. Campbell, chairman of the Social Committee announced that on Tuesday, January 25, a dinner followed by an interesting program would be given and that two out-of-town speakers had been secured for the evening.

Mrs. R. N. Leahy, publicity chairman, reminded club members of the annual scrap book to be on exhibit in June at the state convention and urged them all to aid in collecting material for it.

Mrs. F. H. Manker thanked the club in behalf of Mrs. O. K. Granger, president of the local Red Cross for its earnest assistance in the recent drive.

Fudge
2 cups sugar; 1 cup cream; 1 teaspoon vanilla; 1 square chocolate; 1 tablespoon butter.
Cook until forms a soft ball dropped in water, remove from fire, add 1 cup nuts and beat until thick, pour on buttered pan, cut in squares.

Butter Scotch
Melt 1 pound of brown sugar in a pan without water, add one-quarter pound butter beaten to a cream and stir constantly, flavor with a little ginger.

Banana Pie
Slice 3 bananas in a baked crust; heat 1 cup milk; yolks of 2 eggs; 1 tablespoon flour; add 1/4 cup of sugar; mix with 1/2 cup cold milk; pinch of salt.
Boil to a thick cream. Flavor with vanilla. Pour this on sliced bananas. Beat whites of eggs, put on top, and brown in oven.

SHERIFF ADDS TWO OFFICERS

Shay's Staff Increased To Include Additional Jailer and Deputy—New Men Required When Move Made

The board of supervisors yesterday approved Sheriff Walter A. Shay's request for two additional deputies, to be appointed by the sheriff. Each of the two deputies will receive a salary of \$175 a month.

Sheriff Shay stated that the new men will be Ernest Shay and Sam Nelms. Ernest Shay was formerly on the sheriff's staff here, while Mr. Nelms was formerly a member of the Redlands police department.

The additional two men will be required when the sheriff's office and jail are moved to the new courthouse. An additional jailer will be required at the new jail as Deputy Sheriff O. W. Bottorff, who now serves as day jailer, will devote his entire time to the identification department.

FIVE HURT WHEN CAR SKIDS AFTER PASSING OTHER

Filipino Lads Are Injured In
Crash East of Here On the
Foothill Boulevard Late Sunday
Afternoon

Five Filipino youths were recovering today at San Antonio Hospital from bruises and lacerations received when an automobile skidded and turned over late Sunday on Foothill Boulevard, east of here.

Pio Lasortier was driving the car. He attempted to pass another machine on the crowded highway and lost control of his auto when the front wheels left the pavement. The auto turned over scratching and bruising Lasortier, R. Anaim, E. Bagdian, L. Gamatero and S. Buleno, but none of them were seriously hurt.

Luz Martinez, Colton, was in a San Bernardino hospital seriously hurt as the result of an accident on Colton road between Bloomington and Etiwanda avenue. Martinez was lacerated about the face and hands and hospital attendants today said he may be suffering from internal injuries.

Thieves Make Raid On Cucamonga Cafe And Also Take Car

\$40 worth of nickles from the money box of a player piano, a touring car and a quantity of cigarettes and cigars were stolen from Charles Flin, a restaurant owner of Cucamonga, Sunday night, according to a report made to the Upland police yesterday.

The thieves cut a hole in the screen of one of the windows of Flin's restaurant, through which they made their entrance to loot the establishment.

The car was parked at the side of Flin's house, which adjoins the restaurant, and evidently was pushed down the driveway to the street, as no noise disturbed any of the members of the family, who sleep in the house. A spare tire was also taken from a car parked in the locality.

Soft Ginger Bread
1 cup sugar; 2 cups molasses; 1/2 cup butter; 2 eggs; 3 cups flour; 1 cup sour cream; 2 teaspoons soda; 1/4 teaspoon salt; 2 teaspoons of ginger.

Progressive Pinching
A woman gave her young son half a dollar to buy a pound of plums, saying: "Be sure, Tommy, to pinch one or two of them to see if they are ripe."

In a few moments Tommy returned with both the fruit and the half dollar.

"I pinched one, as you told me," he explained, "and when the man wasn't looking I pinched the whole bag full." —Progressive Grocer.

LOCAL POSTOFFICE BREAKS RECORD LAST YEAR

Heavy Christmas Mail Cleaned Up By Noon Christmas Day—Public Cooperated to the Fullest During Peak Load

The year of Nineteen hundred and twenty-six was the largest business year in the history of the Upland Post Office. The year shows an increase of eleven per cent, December being the banner month with forty-five per cent increase over the same month in 1925. The heavy Christmas mail was all cleaned up at noon Christmas day and all employees ate Christmas dinner with their families.

The public deserves much credit for the clean up as the early mailing of packages aided the Postal Department in making Christmas deliveries on time, and the packages came through in much better condition than if they had had to be handled with too much rush for proper care. This office received about six thousand Christmas packages, including those received and delivered Christmas morning, and only three were received at this office in bad condition and those were caused by faulty packing, the boxes not being heavy enough for the contents. The delayed coming in after Christmas were not in such a good condition and it was necessary to rewrap several which goes to show the advantage of early mailing and secure packing. The postal force wish to thank all those who kindly remembered them in a Christmas spirit.

The Postal Department at Washington has handed out a New Years Greeting in the announcement that on February 1, 1927, the rates on air mail will be reduced to within the reach of all patrons wishing to use the air mail. Effective February 1, the rate on air mail to any distance in the United States will be ten cents per half ounce or fraction of a half ounce and as the average letter does not weigh over a half ounce it will make a saving of fifteen cents on most letters from Upland to points east of Chicago and ten cents to Chicago points. A letter leaving Los Angeles at 7:35 A. M., will reach New York the next day at 6 P. M.

BRIDE LEARNS OF OTHER WIFE

Annulment Complaint Avers
Mate Not Free When "Marriage" Performed—Ontario
Woman Seeks Divorce

Less than two months after Ada Curtis had married Glenn E. Curtis she learned he had a previous wife living, having married Christine Armitage in El Paso, Colo., on June 15, 1921, she asserts in her complaint for annulment filed yesterday in superior court in San Bernardino.

Immediately upon learning of the previous marriage she separated from Curtis, the plaintiff asserts. Mrs. Curtis asks that her maiden name of Ada Coath be restored to her.

The couple were married Nov. 13, 1926, and separated Dec. 28, 1926.

Helen Becerra of San Bernardino asks annulment from Henry Becerra, asserting that Becerra was the husband of another woman when she was married to him on Dec. 28, 1925. Attorney Charles Bagg represents Mrs. Becerra.

Emma T. Siebert of Ontario seeks a divorce from Otto N. Siebert on the charge of cruelty. They were married Feb. 1, 1906 and separated Aug. 1, 1926. Attorneys Pollock & Mitchell represent the plaintiff.

Charles Milton Anderson of Highland asks a divorce from Georgia Janet Anderson on a charge of desertion. They were married Feb. 2, 1920, and separated Oct. 15, 1925, the complaint asserts. Attorneys McNabb & McCloskey represent Anderson.

STONE RESIGNS AS PASTOR OF PRESBYTERIAN CHURCH HERE

HAS FINISHED FIFTEEN
YEARS OF SUCCESSFUL
WORK

Local Church Famous As One
Where Collections are Not
Taken During the Religious
Services

Dr. R. C. Stone, for fifteen years pastor of the First Presbyterian Church of Upland, presented his resignation to the session of the church Sunday morning and announced it to the congregation at the morning service.

During Dr. Stone's pastorate the church has become famous as the one church in Southern California where collections are not taken at church services. The budget system was introduced several years ago and has been followed since that time. All money is raised at the annual church meeting.

Not only has Dr. Stone rendered a most valuable service here to his church, but in Boy Scout work he led the way in the formation of the scout organization which today covers the Chaffey Union High School district.

Dr. Stone's plans for the future are not definite at this time depending somewhat on when his successor is named. His resignation to session of the church read as follows:

To the session of the Upland Presbyterian Church,
Dear Friends: This month will close my fifteenth year as your pastor. The church is in good shape now. The building is in splendid repairs. We have just celebrated the fortieth anniversary of the organization of the church. And now I am closing my fifteenth year. This is a good time for a new man to take the work. I ask therefore, that you call a meeting of the congregation to join with me in asking Presbytery to dissolve the pastoral relation.

These years have been filled with rich memories for me. The sweet fellowship with you men in the session, will be one of my richest memories. I will continue to pray for you and think of your wonderful work in this church. May the richest blessing of God crown it all with spiritual triumph. And may the whole church continue happy in a united fellowship and loyal co-operation. Yours in the dearest of memories,
R. C. STONE.
January, 9th, 1927.

Small Upland House Is Damaged By Fire

Fire partially destroyed the two-room cottage owned by Sherman Robinson at 942 Fifth Avenue, at 2:30 o'clock Monday morning. The house was vacant, as the family who resided there moved away a few days before. The prompt response of the Upland Fire Department saved a greater portion of the house.

Judicial Prerogative

McGuinness had been posted to keep guard over the entrance to a road which led to an old and unsafe bridge. Presently a car came along and he held up his hand.

"What's the matter?" growled the driver.

At that moment McGuinness recognized him as the county magistrate.

"Oh, it's yourself, Yer Honor," he said genially.

"Yes, it is!" was the snappy answer.

"Tis all right, then," said Mac as he stepped politely out of the way. "I got orders to let no traffic through because of the rotten bridge, but seein' it's you, Yer Honor, 'tis a pleasure—go right ahead, sir!" —American Legion Weekly.

Bright Outlook For 1927

(Glendora Gleaner)

Every financial writer is optimistic over the prospects of the year just beginning. Manufacturers see only a busy year, and if factories are busy and pay the wages they are now paying, good times are assured. The factory workers comprise the great mass of buyers in the cities. If they receive good wages, prosperity to merchants is assured.

Farmers look forward to a better year than the past one. Last year in many places saw an overproduction. This year starts with a surplus in a few lines, but in most lines the old stocks are pretty nearly cleaned up and crops are not likely to be so large. It is strange but true that a normal crop brings more money than one of oversupply.

There is peace at home. No year in a generation starts with so bright an outlook as this. There are no signs of trouble abroad or at home. The great mass of people are at work at good wages and business is doing well. Every part of the nation is growing except a few where floods prevail.

But of all parts of the nation none is growing like Southern California. People are coming by the thousands every month. A hundred thousand are settling in Los Angeles each year, and another hundred thousand are settling in the surrounding counties. This means that a vast sum of money is coming here and with our great agricultural production it means a vast sum to be spent in this territory. Los Angeles County has for many years led all the counties in the Union in value of agricultural products. Today save where land is being taken up for subdivisions, agriculture is gaining by leaps and bounds.

The dairy interest of the Southland has grown to enormous figures. Los Angeles has more dairy cows than any other county of the state.

The great Southland of a dozen counties is most fortunate in having a great city to use up its products. Los Angeles with a million and a quarter of people makes a vast market for the farmer. The result is that farmers are coming by the thousands who with small acreages are developing a wonderful agriculture. Where in the middle west a farm of 160 acres is a small farm and produces perhaps a hundred dollars an acre in grain, here small acreages of ten to twenty acres lead, and in some crops, like citrus fruits, a thousand dollars an acre is a small crop. In manufacturing the Los Angeles territory is gaining very fast. There are not enough yet, but will be in time for our climate allows work every day of the year. Added to this we have the cheapest water and power in the world. No wonder we of the Southland can look forward to a happy and prosperous year.

California Leads

(Oakland Tribune)

California, which ranks high in financial ability to support schools, spends \$159.35 per child of school age, that is from 5 to 17 years old, according to the figures of the National Industrial Conference Board in a report which informs the world that this state is giving a larger attention to education than any other in the Union. Arkansas, the last on the list, spends \$15.85 per child, or one-tenth the amount spent here.

When one hears that expenditures for primary and secondary education for public grammar and high schools have increased sevenfold since 1910, while the population has increased but one-half, he must bear in mind that many states have but recently recognized their obligations. If in the decade to come the states at the lower end of the list bring their educational budgets up to the present average there will be added an immense total which will show another large national in-

Today

Tomorrow's paths we cannot trace nor see,
Though crowded with expectant mystery,
We cannot claim one hour Tomorrow holds,
But we must wait until its day unfolds.

And Yesterday, whose tender memory clings
In cruel sweetness to our bruised heart-strings,
Has gone forever—for no mortal power
Can bring us back one loved or bitter hour.

And so—we only have Today to live.
God help us find the joy its moments give,
To sow and gather flowers along the way—
And live as Thou wouldst have us live, Today!
—Isa Paschal Richardson.

crease.

With a large financial ability, California assumes its obligations and offers to its future citizens the best in educational opportunities. There is something in the report concerning which every citizen may be proud and something to be a perpetual challenge to the school men that they may make every dollar of this large appropriation render its maximum in service. California will not lower its educational standards and, instead, will seek to elevate them. Carrying its schooling opportunities into the remote sections it meets with expenses not encountered by states of congested populations, but has the satisfaction of knowing that its country boys and girls are not neglected.

The public, which takes pride in California's educational achievements and is so willing to support the program, asks only that the trained minds in the teaching profession, and those which that profession may summon into its councils, continue to direct an expert attention to legitimate opportunities for savings. Secretary Hoover has shown industry, including concerns which have been held up as models in economical operation, that there is ever an opportunity to eliminate waste. It is possible the same chances are present in the educational field.

The desert flowers of Southern California should be a great attraction to tourists this early spring. Never within the memory of the oldest inhabitant have there been such copious rains as fell upon the just, the unjust and the dusty desert this season, and the result will be a Persian carpet of flowers that will exceed even that of last season.—San Bernardino Sun.

Highway Legislation

(Touring Topics)

California's highway development will not cease because the two highway measures, numbers 4 and 8, were defeated by the voters of the state at the November election. There will be available for highway betterment during the coming year approximately \$15,000,000, of which \$3,000,000 can be used for new highway construction, about \$4,000,000 for regular maintenance, and \$8,000,000 for the widening of overcrowded state highways and for essential reconstruction work.

A recent statement issued by the Automobile Club of Southern California calls attention to some particularly important work which should be done with the money available. This includes widening and reconstruction of highways which carry a heavy traffic load, the widening and rebuilding of some of the old 15-foot highways which are deteriorating, reconstruction of bridges and safety features. The club believes that no greater economy in transportation can be effected by

California than the expenditure of money now available in making our existing highways adequate and safe.

While highway work will continue with funds available, the wisdom of adopting a plan to insure a more efficient administration of state highway affairs is apparent. In this connection there are important lessons to be learned from the November election. The defeat of the proposed increase in the gas tax by approximately a quarter of a million votes in Southern California proves beyond doubt that Southern California and its interests cannot be ignored in making highway plans. It would seem that whatever plan can be expected to succeed will be one which meets with general approval all over the state and which is fair and just to every portion of the state.

Avoiding Extremes

(San Bernardino Telegram)

The extremist is never with a large following. There are two extremes in all things, but the multitude will always be found half way between the two. In such a humble occupation as housekeeping there are the two extremes and the happy medium. The housekeeper who is excessively tidy and immaculate fails as completely in her purpose as does the slovenly housewife. The good housekeeper, who is not without honor even in her own country, is the one who follows the middle course between the slattern and the eternal dust-chaser.

Everyone knows that an untidy house is the cause of all sorts of wrong living on the part of husbands, wives and children. And yet household tidiness can be carried to excess. A home that is neat, and clean, and tastefully arranged is one thing, but a home where everything is so prim that the members of the family and callers feel ill at ease, is quite another thing.

It often happens that women who strive to be good housekeepers forget about the comfort and contentment of the family. Collecting all sorts of odds and ends that seem valueless to mother or father is a trait of all normal children. The bits of colored glass, or the gay magazine clippings, or the broken toy that an over-zealous mother may destroy may cause many unhappy pangs to the child. Likewise, father's old pipe, or the disreputable pair of fishing shoes have a value to him far above mere household tidiness.

After all, the only purpose of household tidiness is to make the home comfortable to the family and presentable to visitors.

It might pay lenient murder juries to become familiar with those striking lyric lines: "One cup to the dead already—hurrah for the next that dies!"—Dallas Journal.

Tested Recipes

Ginger Snaps

1 cup flour; 1 cup molasses; 1 cup sugar; 1 teaspoon ginger, heaping; 1 cup butter; 2 teaspoons soda; 2 eggs.

Heat the sugar, molasses and butter to boiling point; take from stove and stir in the flour while hot; let cool; add soda, dissolved in a little vinegar; add eggs; ginger in the flour; beat all the rest; knead enough flour in to roll out nicely.

Jumbles

2 cups flour; ½ cup butter; ½ cup sugar; ¼ teaspoon nutmeg; ½ teaspoon vanilla or lemon; 3 eggs.

Work butter into flour, sugar and eggs, well beaten; add nutmeg, vanilla or lemon extract; mix well; roll out to the thickness of about ¼ inch; sprinkle powdered sugar over the dough; cut it with a biscuit or cake cutter, so that there will be a hole in the center; lay them on flat tin plates and bake 10 minutes in quick oven.

Ginger Cookies

2 cups sugar; 1 cup sour cream; 1 cup shortening; 1 cup molasses (sorghum best); 2 eggs; pinch of salt; 1 tablespoon ginger; ¾ teaspoons soda dissolved in cream. Make a soft dough, roll and bake in quick oven.

Filled Cookies

½ cup shortening; 1 cup sugar; 1 egg; ½ cup milk; 1 teaspoon vanilla extract; ¾ cups flour; ½ teaspoon salt; 4 teaspoons baking powder.

Cream shortening; add sugar, beaten egg, milk and vanilla; add flour, salt and baking powder, which have been sifted together. Roll out thin on slightly floured board and cut with cookie cutter. Place one teaspoon of filling on each cookie, cover with another cookie, press edges together. Bake in moderate oven 12 to 15 minutes.

Filling

2 teaspoons flour; ¼ cup sugar; ½ cup water; ½ cup chopped raisins; ½ cup chopped figs.

Mix flour and sugar together; add water and fruit. Cook until thick, being very careful not to burn.

Oatmeal Cookies

2 cups sugar; 1 cup butter; 3 cups flour; 4 eggs; 1 teaspoon cinnamon; 2 teaspoons baking powder; 4 cups rolled oats; 1 cup hot water; 1 box raisins; 1 teaspoon soda.

Dissolve soda in hot water, then mix all together and drop from a spoon into a greased pan.

Drop Cookies

½ cup butter; ½ cup sugar; 2 eggs; 1 cup flour; 1 teaspoon each lemon and vanilla.

Cream butter, add sugar gradually, beating thoroughly, then add one egg unbeaten, mixing until batter is smooth; add one-half cup of flour, beat well, then one egg and continue beating; add remaining flour and flavoring. Drop with teaspoon on greased baking sheet about three inches apart. Nuts, raisins, cherries or slices of citron may be placed on top of each cookie. Bake in a moderate oven. These cookies spread while baking.

Health Cookies

1 cup shortening; 1 cup sugar; 2 eggs; 2½ cups rolled oats; 2½ cups flour; 4 tablespoons sweet or sour milk; ¼ teaspoon salt; 1 teaspoon soda; 1 teaspoon nutmeg; ½ cup raisins; ½ cup chopped nuts.

Cream shortening and sugar together. Add eggs and cream. Add rolled oats and mix all together. Sift flour, cinnamon, soda, salt and nutmeg together, and add alternately to creamed mixture with milk. Roll on floured board as thin as can be handled, cut in desired shapes and bake in moderately heated oven. If sugar coated cookies are wanted, sprinkle sugar on dough while rolling. These cookies keep well and are better with age.

Drop Cookies

1½ cups sugar; ½ cup butter; 2 eggs; 1 cup chopped raisins; 1 cup English walnuts; ½ teaspoon cinnamon; ½ teaspoon nutmeg; ½ teaspoon cloves; ½ teaspoon soda; 1 cup sour milk; ¼ square baker chocolate; 1 large teaspoon baking powder; flour to make a stiff batter.

Cream sugar and butter, add well-beaten eggs, add spices, dissolve soda in 1 tablespoon of boiling water, dissolve chocolate in 2 tablespoons of boiling water, dissolve chocolate in 2 tablespoons of boiling water, then add to other ingredients, sift baking powder and flour together, soak raisins in water, add raisins and English walnuts, make a stiff batter and drop in well-greased pans not too close together.

Electric Ranges— Have No Competitors!

Others are Merely Substitutes

There is no other kind of a range made which will automatically turn the heat on at a given time, maintain the oven at a given temperature and turn it off at a given time.

The Super-Automatic Hot Point Range is in a class by itself. We have different models at different prices and sizes to meet all needs.

Our cooking rates are reasonable.

ELECTRIC RAILWAYS! The Hub of Prosperity

Whether you realize it or not, the electric railway is the hub around which the whole development of your community revolves.

The electric railways render a service that is fundamental. They afford a transportation agency around which modern cities are built.

They are at the service of all the people all the time and in every kind of weather.

Directly or indirectly, every individual of the community is benefited by good service. Your business, your pleasure and your income are advanced because of the stimulant that the operation of cars adds to industries. Your real estate holdings are likewise enhanced in value.

WHEN YOU BOOST YOUR LOCAL TRANSPORTATION COMPANY YOU ARE BOOSTING YOUR OWN PROSPERITY.

CITRUS CHAOS IS RETARDING STATE

Direct Growers' Loss In Florida Placed At \$20,000,000—\$100,000,000 is Estimated Credit Loss

(From the Seald-Sweet Chronicle of Tampa, Florida)

That chaotic conditions in the Florida citrus industry are materially retarding the development of the commercial and business side of the state is the belief of C. C. Commander, General Manager of the Florida Citrus Exchange. While the state as a whole is recovering very satisfactorily from the effects of the inflation and disastrous gambling in properties carried on by professional speculators who descended upon the state from all quarters of the globe, Mr. Commander believes this recovery would be far more rapid if additional cash revenue were available to the state from the citrus industry. Such increased revenue could be obtained were the industry properly organized.

"There is no doubt in the mind of anyone in the state that we have a far better orange than that produced by California, and yet we are faced daily with market reports which show California oranges selling for \$5.00 in the same markets in which the finest Florida oranges are sold at \$2.50.

"The answer is that California has an organized industry. California merchandises Florida, on the other hand, has many operators in citrus who are either uninformed, dangerously ignorant or unscrupulously selfish. For proof of this we need only turn to today's marketing situation and Florida prices.

"Just what this disorganization is costing, not only to the Florida citrus growers, but to the state as a whole, is vitally interesting and in its needlessness, is almost maddening. This year we have an abnormally small citrus crop. Properly handled, it should produce especially high per box returns. Instead of that the state is receiving, let us say, an average of \$3.00 a box. If we merchandised as well as California, that return would be \$5.00 per box

—a cash difference of \$2.00 per box.

"This \$2.00 per box, which should, but does not, come into the state, multiplied by the 13,000,000 boxes of citrus, which approximates the number which will be shipped this season, gives us a total of \$26,000,000 which the state is losing.

"Most of this money, let us say \$20,000,000, would accrue directly to the commercial citrus growers of Florida. There are approximately 10,000 such growers in the state. This would mean an average return to each individual grower of \$2,000 more than he will receive.

"Think of the wealth of which the present disorganized conditions in the citrus industry are robbing the state. Twenty-six million dollars cash put into the state's trade today would make Florida an especially desirable market, one which would stand high among all markets in the nation. Instead of that today, we have Florida charted in black on all "business condition maps" published. \$26,000,000 fed into Florida's commerce today would produce business and credits well over \$100,000,000 and relieve the present high tension of business conditions.

"The solution is in the hands of the growers themselves. Until growers realize that the commitment of their fruit to unscrupulous speculators not only robs them of returns which are rightfully theirs, but harms the other fellow by placing fruit in the hands of this speculator, whose ignorance or selfish sales tactics permit him to break the market, just so long will these conditions last and the state be deprived of this tremendous part of its proper income.

The solution is the same as has been pointed out time and time again—co-operation in merchandising. It has been the solution in California citrus and must be in Florida.

Drop Doughnuts

Beat together 3 eggs and 1 cup sugar, add 1 pint of sweet milk, 1 tablespoon melted butter, ½ teaspoon nutmeg, 2 teaspoons baking powder, a pinch salt. Mix in enough flour to permit the spoon to stand upright in the mixture. Beat mixture until very light, drop from a teaspoon into boiling hot fat and allow to brown quickly.

OFFICERS TAKE OATHS FOR NEW FOUR-YEAR TERM

Supervisors Announce Appointment of Aides in Various Departments—No Ceremony Was Conducted

With no changes in the executive personnel of the various departments, San Bernardino county officers, both elective and appointive, took oath of office at 12 o'clock yesterday, beginning a four year term.

In the townships of the county, justices of the peace and constables also began their respective terms of office.

No Ceremonies Are Conducted

No ceremonies marked the opening of the new terms of office. In each instance the incumbent was returned to office and but comparatively few changes in the staffs in the various offices were announced. In District Attorney George H. Johnson's office, three new deputies were appointed, replacing attorneys who resigned to enter private practice of law. The new deputies are James L. King, San Bernardino; Robert Daniels, Colton; and Jerome B. Kavanaugh, San Bernardino.

The Board of Supervisors, in executive conference, reappointed all appointive officers.

Appointments Are Announced These appointments include: James W. Cole, county highway commissioner.

Dr. E. L. Tisinger, superintendent of the General Hospital.

W. C. Malone, fish and game warden.

Elmer Matthews, of Upland, bee inspector.

Caroline S. Waters, county librarian.

John P. Coy, horticultural commissioner.

Dr. F. N. Davidson, livestock inspector.

Jay Boone, captain of the motor patrol.

George W. Feethan, steward General Hospital.

Dan Davis, accountant, General Hospital.

Other appointments approved by the supervisors on the staffs of the various officers included: P. C. Lynde and Hugh A. Cowan, court reporters in the district attorney's office; Miss Dorothy Suess, clerk in the highway commission and Dr. Tisinger as county health officer, he holding this office and that of superintendent of the hospital jointly.

Inspectors Are Named

The supervisors also approved the appointment by Mr. Coy the following deputy horticultural commissioners to serve in the various districts of the county:

Calvin C. Delphy, Chino; H. A. Spies, Ontario; J. F. Anderson and C. E. Anderson, Upland; R. McKennett, Cucamonga; Charles Donnelly, Etiwanda; S. J. Bolser, Rialto; W. R. Fox, Colton; John Christenson, Victorville; J. F. Bone, Highland; R. L. Brooks, Yucaipa; W. B. Hadley, W. O. Cook, Redlands; and V. M. Van Norman, Wineville.

No change in the staff of Captain Boone, of the motor patrol squad, was made. The officers are F. J. Freeman, Cucamonga; G. C. Kingman, Rialto; R. R. Craigmiles, Ontario; R. L. Shaw, Redlands; J. E. Marks, Colton; G. W. Carpenter, Ontario, and H. Hanson, San Bernardino.

Appointment of road foremen in the five supervisorial districts of the county were:

First District—A. L. Doran, Barstow; Charles T. Boehl, Victorville; Frank P. Sobrun, Needles; T. J. S. Clapp, Del Rosa, and W. E. Irving, Little Creek.

Second District—Alex Hill, Rialto; John H. Klusman, Cucamonga; E. C. Marks, Ontario.

Third District—W. R. Clyde, Redlands, and Charles Long, Byrn Mawr.

Fourth District—J. H. Brewster, Colton, and C. M. Craw, Chino.

Fifth District—Guy Dunlap, San Bernar'no, and J. W. Farrell, Highland.

D. C. Swartz of Colton, was retained as foreman of the county garage; Ralph Motherspaw, as maintenance foreman of the highway commission and J. A. Douglas as an assistant foreman.

There were no changes in the staffs of the county officers, except those in the district attorney's office.

No Regrets

SEVEN TEAMS IN CITY LEAGUE

The schedule for the basketball league sponsored by the Upland Y. M. C. A. is in readiness for the coming season. Dates are set and definite goals are in view for every team. All games are arranged for Monday and Thursday evenings with four teams playing each evening. In this manner of 21 games in five weeks plus one game. Each week some team will have to play two games. The schedule has been drawn so that four games a week can be played, thereby disposing of the schedule this occurrence is distributed evenly among the five teams, the other two having but one game each week. Monday, January 14, is the opening night of the season with the Presbyterians meeting the Lemon Growers at 7:30 sharp. The second game that evening concerns the Methodists and the Young Men's Service Club.

The games will be played on the Y. M. C. A. court and boosters for the teams are most welcome. Showers will be ready for the players and towels can be obtained from the Y.

Beside the nights mentioned, the building and courts will be available for any who wish to visit, read, or write in the reading room and for any team wanting to practice, on Wednesday evening, if there is a demand for it. It is the purpose of the Y to improve the building in order to make of it a homey, comfortable place where young men of the community may spend leisure hours pleasantly. With this in view, new equipment is being bought and improvements made and plans are in mind for leagues similar to the present one. Later if the request comes in, organized groups may be formed for study or supervised discussion and a course in wrestling or boxing could be sponsored.

In the coming league, teams have been entered by the American Legion, The Men's Shop, the Mennonite Church, the Presbyterian Church, the Methodist Church, The Young Men's Service Club and the Upland Lemon Growers Ass'n. Much good material is in evidence and many snappy games are anticipated. A slight edge is conceded to the Lemon Growers for they have been in practice longer than the others.

The schedule follows:

Monday, Jan. 17, Presbyterian Church vs. Lemon Growers; Methodist Church vs. Young Men's Service Club.

Thursday, Jan. 20: Legion vs. Young Men's Service Club; Men's Shop vs. Presbyterians.

Monday, Jan. 24: Young Men's Service Club vs. Legion; Men's Shop vs. Lemon Growers.

Thursday, Jan. 27: Presbyterians vs. Methodists; Young Men's Service Club vs. Mennonite Church.

Monday, Jan. 31: Young Men's Service Club vs. Presbyterians; Methodists vs. Mennonite Church.

Thursday, Feb. 3: Men's Shop vs. Mennonite Church; Legion vs. Lemon Growers.

Monday, Feb. 7: Young Men's Service Club vs. Lemon Growers; Men's Shop vs. Methodist Church.

Thursday, Feb. 10: Legion vs. Presbyterians; Mennonite Church vs. Lemon Growers.

Monday, Feb. 14: Young Men's Service Club vs. Men's Shop; Presbyterians vs. Mennonite church.

Thursday, Feb. 17: Legion vs. Men's Shop; Methodist vs. Lemon Growers.

Monday, Feb. 21: Legion vs. Methodists.

At a meeting of the representatives from the teams a set of rules was written to govern the league. They are:

1. Every team entering the league must have a list of its members in the hands of the Y Secretary Monday, Jan. 3, 1927.

2. Each team shall be limited to a number of ten listed players.

3. In case the number of players drops below ten, additional players may be added, but said players must be signed with their team fourteen days before they may play.

4. Only players living in Upland Community or being members of local organizations shall be eligible to play.

5. There shall be an entrance fee of \$2.50 per team.

6. TENNIS SHOES MUST BE worn by all players.

7. The secretary of the Y shall be the official referee.

The players listed at the present time are:

Men's Shop: Veeder South, Harleigh Brown, Clyde Duncan, Herbert Manker, Robert Campbell, Wm. Kincaid, Kenneth Hanson, Clair Kirk, Paul Adams.

Methodist Church: Elmer Allen

AUCTION!

Monday, Jan. 17, 2 p. m.

580 N. Laurel Ave.

UPLAND

One of the choicest 5-room residences in Upland, constructed of the best materials obtainable, with large garage to match; on a lot 60x135 feet, in one of the most desirable locations you could hope to find anywhere—just north of West 10th Street, at 580 N. PUBLIC INSTALLATION PATRIOTIC ORGANIZATIONS—

Division commander E. J. Parker of Santa Ana and Division Vice-president Elinor Graves, both of the California and Pacific Division, Sons of Union Veterans of the Civil War and the Woman's Auxiliary, presided at a most impressive public installation ceremony of General Henry W. Lawton Camp and Auxiliary, at Long Beach last Friday evening. The affair which was preceded by an elaborate banquet was held in the City Hall and was attended by many people from surrounding cities. Mrs. Graves and her staff consisting of fifteen officers, wear-

SOCIETY and CLUB

ing white frocks, exemplified the work in a very creditable manner, which was highly complimented. At the close of the ceremony each officer was presented a dainty personal gift and a lovely bouquet of cut flowers. The following women were members of Mrs. Graves staff: Mrs. Elizabeth Taylor, Mrs. L. E. McConkey of Upland; Mrs. Ester Nichols, Mrs. Hattie Martin, Mrs. Nannie Dewey and Mrs. Mary Johns of Ontario; Mrs. Mame Deems, Mrs. Ella Renwick, Mrs. Cora Dunster and Eloise Holly of Los Angeles; Mrs. Nellie Parker of Santa Ana; Mrs. Gertrude White of Riverside, and Mrs. Amanda Bickels of Santa Monica.

MISS HANSON SPEAKS AT SANTA ANA—

One hundred and twenty-eight women were present at the dinner given at the Ebell Club, Santa Ana, on Saturday, members of the Business and Professional Women's Club of that city being hostesses at the President's Council, Southern District.

Women from all over Southern California were present, including five members of the recently organized Oceanside-Carlsbad Club. Mrs. G. L. Winter, president of the Southern District was in the chair and introduced the speaker of the evening, Miss Edith Hanson, who gave an interesting talk on the various nationalities in the Hawaiian Islands who are being welded into American citizens.

Other features of the program were a one-act play put on by the hostess club and several charming cello selections. Dinner was served in the dining room of the Ebell Club and was a most delightful affair. The table appointments were very artistic and the meal was enlivened by community singing.

Margaret Yale, president of the State Federation, and Jane Umphreys, first state president, were guests and gave short addresses during the evening. Mrs. Mark Bailey, president of the Upland Club, also spoke.

The evening was a very successful one and well worth the distance many had to travel.

Among those going from Upland were Mrs. Winter, Mrs. Bailey, Mrs. R. N. Leahy, Miss Eleanor Leahy, Miss Grace Adsit, and Miss Hanson, all of whom had much pleasure in greeting Mrs. C. V. Calhoun who recently moved from Upland to make her home in Santa Ana.

MERRY WIVES ARE ENTERTAINED—

Mrs. G. A. Brest was hostess to members of the Merry Wives Embroidery club and a few invited guests last Friday afternoon, at her home, 475 First avenue. The afternoon was spent in doing needle work and in social and visiting and at the close of the afternoon the hostess served delicious refreshments to her guests. Among those enjoying Mrs. Brest's hospitality were Mrs. W. A. Brown, Mrs. George Gregg, Mrs. D. D. Crew, Mrs. George Bowers, Mrs. W. C. Cline, Mrs. Sylvia Duncan, Mrs. C. C. Eymann, Mrs. C. K. Francisco, Mrs. Thomas Harris, Mrs. P. O. Long, Mrs. F. H. Manker, Mrs. N. G. Pehl, Mrs. Charles Sikes, Mrs. Noble Anderson, Los Vegas, Nevada; Mrs. Frank Nichols, and Mrs. Loring Kirk.

EVENING CLUB ORGANIZED LAST FRIDAY—

For the purpose of organizing an evening bridge club, a group of people met at the home of Miss Mina Ruesink, on West Ninth street, last Friday evening and perfected plans for a bridge club which will meet every other Friday evening at the home of one of the members. Prizes will not be awarded each time but scores will be kept and at the close of the season a beautiful gift will be presented to the man and woman holding the highest score. Among those who were present last Friday and who played auction bridge in the opening game, were Mr. and Mrs. W. H. Tuttle, Mr. and Mrs. Gus Anderson, Mr. and Mrs. James Shaw, Mr. and Mrs. Walter Hilly, Mrs. Mary Eckerman, Miss Ethel Leake, and John Ruesink. Three guests were also present, Mr. and Mrs. H. H. Thomas of Cucamonga and Herman Ruesink of Lime Springs, Iowa. The Ruesink home was charmingly decorated for the occasion with bouquets of Scotch heather and carnations and at the close of the evening the hostess served a dainty repast to her guests.

MRS. ANDERSON ENTERTAINS AT AFTERNOON AFFAIR—

Among the charming afternoon parties given recently was the bridge party at which Mrs. Gus Anderson entertained a group of friends at her home, 554 East Tenth street.

A profusion of fragrant blossoms and greenery added to the attractiveness of the rooms and tables were placed for the game of auction bridge. Prizes at the close of the tourney were won by Miss Mina Ruesink, who scored the highest, and the consolation prize went to Mrs. F. W. Palmer. Following the play, Mrs. Anderson served a dainty collation to her guests who were seated at the card tables and who numbered the Mesdames W. H. Andrews, Mary Eckerman, John Anderson, H. H. Thomas, F. W. Palmer, Roy Palmer and Miss Mina Ruesink.

NURSES ASSOCIATION TO MEET FEBRUARY SECOND—

Mrs. Caroline Vermilye will be program chairman at the next meeting of the sixth district California State Nurses Association meeting that will be held on February second, according to the announcement just made by the president, Mrs. G. J. Fleming.

Miss Matilda Clifton of Redlands presided at the January meeting which was held last Wednesday evening. J. Isham, secretary of the Redland's Chamber of Commerce was speaker of the evening and he chose for his subject "Nursing Ideals" giving the "layman's" views so to speak, on the nursing profession. Besides Mr. Isham's talk a delightful musical program was presented and thirty-five members and guests attended the dinner.

The sixth district nurses association is composed of members from Upland, Ontario, San Bernardino, Loma Linda and other small communities and although the organization is only sixteen months old, boasts seventy-three members. Among those from this community who attended Wednesday's meeting were Mrs. G. J. Fleming, Miss Doris Weatherbee, Miss Amy McNeil, Miss Ruth Hay, Miss Bertha Schwartzwalder, Miss Mae Newquitt, Miss Iva Renstrom.

BENEFIT BRIDGE-TEA ON THURSDAY—

The Mesdames Henry Lucas and A. D. Skillman will preside at a charmingly informal bridge-tea on Thursday afternoon at the home of the former, 700 South Antonio avenue, Ontario.

Many hostesses have reserved tables for the game and the proceeds will be used to buy linens for St. George's Catholic Church parish house.

MRS. BUFFINGTON HOSTESS TO TWO AGED WOMEN—

Complimenting her aunt, Mrs. M. A. Webster, who recently celebrated her eighty-fourth birthday anniversary, and Mrs. Charlotte Knight, who was ninety-two years old on January fifth, Mrs. Frank Buffington was hostess at a smartly appointed dinner recently at her home on North Euclid avenue. A basket of flowers formed the attractive centerpiece on the dining-table, at which covers were set for the honorees, Mrs. Webster and Mrs. Knight, Mrs. H. J. Wilson of Pomona and the hostess. As Mrs. Webster, one of the honor guests.

'GRANDMA' KNIGHT IS HONOR GUEST—

Mrs. Charlotte Knight or "Grandma" Knight as she is more lovingly known, who recently celebrated her ninety-second birthday anniversary, was honor guest at the dinner Friday given by members of the Bethany Union Ladies' Aid at the church on San Antonio Heights. The long table presented a beautiful picture with its dainty floral centerpiece while a beautifully decorated birthday cake, a gift from Mrs. William Littlewood and Miss Maud Forbes was set before the honor guest for her to cut. Following the meal, Mrs. Knight received the greetings and good wishes of her friends and a charming birthday song was sung for her. Mrs. Knight is in good health despite her ninety-two years and she enjoys the church gatherings as much as the younger members.

Friday's meeting was a social one and only a brief business session was held at which the president, Mrs. C. E. Gamsby, presided.

SCOUTMASTERS TO GET AWARDS SOON AT CHAFFEY—

Having completed successfully the scoutmasters' school course at Chaffey during November and December, a group of scoutmasters will receive their certificates February 11 as part of the anniversary program of Old Baldy council, Lex Lucas, Chaffey scout executive, said today.

Certificates are presented by the national council of the Boy Scouts of America, headquarters at New York. Following west end scoutmasters will receive their certificates: H. L. Lucas, Paul Showalter, C. L. McLaughlin, T. A. Guthrie, W. B. Galatine, W. F. Roth all of Upland and John Frost of Etiwanda; George Beall, Dean Babbitt, Robert Ohly, William L. Teochaker, J. B. McCarter, J. W. McGee, Sam Maxey, C. B. Thrall, J. Martinez, George Mahan, all from Ontario. All troops of the Boy Scouts are busy now and will be for the next three weeks preparing for the anniversary week of the Boy Scouts in America which starts February 6. They are all following out various plans and projects for the program.

Y. P. B. PAYS TRIBUTE TO CAPTAIN ALLEN—

The Young Peoples' Branch of the Woman's Christian Temperance Union which met Tuesday evening at the home of Mrs. A. H. Sells, 541 West D street, Ontario, paid tribute to the memory of Captain W. E. Allen of Ontario, who passed away Monday morning at a local hospital as a result of injuries received in an unavoidable accident Saturday afternoon. Captain Allen was present when the Y. P. B. was organized and presented the badges to the charter members. He met with the organization frequently, it is stated, and encouraged the work in many ways.

The devotional part of the program was in charge of Miss Annie Morrison, who spoke on "Buying Up Time." At the business session three new membership captains were appointed. Those who will serve are Miss Winnie Morrison, John Dutton and Everett Smale. The poster for the largest attendance went to the First Methodist church of Ontario. If this record is made at three meetings the poster may be kept by this group. Mrs. Mary Haddow, Upland, county parliamentarian, was present and made a talk on her department. It was reported at the meeting that 30 new names had been added to the patriotic roll in circulation here.

At the social hour, which proved quite delightful, games in charge of Miss Annie Morrison were played. Mrs. William Henderson gave a group of humorous readings, which caused much merriment. Those to whom prizes were awarded at the games were Miss Doris Blackburn, Miss Winnie Morrison, Miss Elizabeth Wanamaker, Everett Smale.

Mrs. William Henderson was hostess to the Y. P. B. at its next meeting in February. Miss Mae Lamb will have charge of the social hour while Miss Mary Cummings will have charge of the refreshments.

MR. AND MRS. CASSELL PARENTS OF FINE BOY—

When that famous old bird The Stork, hovered over the San Antonio Community Hospital yesterday afternoon at three-thirty o'clock he left a fine baby boy for Mr. and Mrs. George Cassell. The bonnie little chap, who weighed seven pounds 9 3/4 ounces, has been named Jack Weber Cassell, and Mrs. Cassell and the baby are reported doing nicely. Mr. Cassell is truant officer at Chaffey High and Mrs. Cassell was formerly connected with the Commercial National Bank. This is their first child and their wide acquaintance of friends join in presenting congratulations.

INTERESTING REPORTS GIVEN BY GRAMMAR SCHOOL SCOUTS

The Spirit of Christmas needs no reviving among the Upland Girl Scouts, according to some of the reports given recently at a meeting of the Grammar School Girl Scouts that was held at The Estate on San Antonio Heights. One group reported purchasing, and dressing a lovely doll which later was presented to a little girl who otherwise might have been overlooked during the Christmas rush. Still another group reported of the Christmas party that had been staged especially for a crippled girl of fourteen years old whose short existence had not been blessed with many such happy events. Other groups reported buying and giving as well as mending toys for the children of the poorer families and taken all in all, the welfare work done by the young scouts during the Christmas season, went far to bring cheer into homes where sickness and poverty abide. Miss Louise Harris presided at the meeting and under her capable direction, plans for a busy month were outlined.

MAH JONG CLUB WILL HAVE BIRTHDAY PARTY—

The third anniversary of the founding of the Mah Jong Club will be the occasion for a delightful luncheon meeting at which Mrs. Harry Plum will preside as hostess tomorrow at her home, 468 Second avenue. Luncheon will be served at one o'clock and a beautiful decorated birthday cake agleam with three tiny lighted tapers will hold the place of honor on the luncheon table. Among the members who plan to attend the luncheon tomorrow are Mrs. C. K. Francisco, Mrs. Charles Deverts, Mrs. I. J. Linkey, Mrs. Ernest Mehl, Mrs. Glenn Atwood, Mrs. L. N. Kirk and Mrs. G. A. Brest.

Everyone has a fair turn to be as great as he pleases.—Jeremy Collier.

COMING EVENTS IN SOCIETY AND CLUBDOM

Jan. 12
Mah Jong Club members enjoying luncheon meeting at the home of Mrs. Harry Plum, 468 Second Ave.
Regular meeting of the Frances Paul Girls at the home of Mrs. Earl Paul, N. Euclid Ave.

Jan. 15
Inter-County Council of the American Legion Auxiliary holding dinner meet in Redlands. Initiation and installation of officers will feature the business meeting.

Jan. 18
Ladies' monthly Bridge Tea at the Red Hill Country Club.

Jan. 21
Garden Section of the Upland Woman's Club meeting at the club house at 2:30 o'clock.

MEMBERS OF P. T. A. WILL HOLD FOOD SALE—

A sale of home cooked foods will be sponsored by members of the 18th street Parent Teachers Association all day Saturday at the Hayman and Roger grocery store, and the proceeds will be used to furnish the kitchen at the 18th street school.

Members of the association are serving a hot lunch free of charge to all the children in the school twice a week and as the kitchen equipment is very limited, they are taking this means of adding to their supplies. Each mother having children in the school, takes charge of the lunch once a week and in that way the children get a hot nourishing meal. There are fifty children in the school at present and it requires larger kettles and pans to cook for such a number than the ordinary home contains. It is the plan at present to buy only such equipment as will wear a long time, and it is hoped that with this food sale and perhaps another that the little kitchen can be thoroughly equipped.

MRS. HUMBLE HOSTESS AT BRIDGE-LUNCHEON TODAY.

Mrs. H. G. Humble presided at a bridge-luncheon of colorful appointments today at her home, 248 Sixth avenue. A delightful color scheme of lavender and pink predominated in the decorations, fragrant sweet peas and Scotch heather, forming the attractive centerpiece on the dining table, while clever place cards in the form of tiny tea pots indicated covers for the guests. Large baskets of flaming spring blooms, were used with charming effect throughout the living rooms and among those present at the happy affair are Mrs. J. Hamilton, Mrs. Clyde Gates, Mrs. C. V. Gillette, Mrs. Paul Wurl, Mrs. Hal Simpson, Mrs. C. C. Perrin, Mrs. James Barnes and Mrs. J. G. Farrell all of Pomona; Mrs. Bert McCroskey of Chino and Mrs. Jesse Monroe and Mrs. John Jacobs of Upland. Auction bridge is the medium of entertainment this afternoon, three tables being placed for the games.

DOROTHY HILL IS NAMED SECRETARY—

As a result of the recent convention of the California Scholarship Federation, Southern Branch, held at the Riverside High School, Miss Dorothy Hill, Chaffey High school junior, was chosen secretary of the society. Delegates from all sections of the southland attended the gathering and among those present from Chaffey were the Misses Ida Vernon, Betty Hill,

PAINTED GARTERS

These painted garters made of flat silk elastic are especially appropriate for the girl who "rolls her own." Buy plain silk elastic, about three-quarters of an inch wide and in some pale shade of pink or blue. Cut a piece of elastic for each garter, and to each piece transfer the pattern given above. Fill in the design with tube oil paints or with paintex. The large

flower is either pink or blue and the leaves and stems green. The buds are done in yellow. Make a little rosette of yellow ribbon, and sew this over the joint in the garter. On this rosette sew two or three tiny silk roses of the same color as the painted flowers, and hang loops and ends of very narrow baby ribbon from the flowers.

Mr. and Mrs. Joe Jost and their small daughter, Patricia Jost, were luncheon guests on Sunday at the home of Mr. and Mrs. J. B. Perschbacher on West Tenth street.

Mrs. Maud Brogan and her guests, Mr. and Mrs. Lee Chamberline and Don Riber, of Los Angeles, motored to Highland on Sunday where they spent a few hours.

City News

Ross Witt, formerly in the employ of Chas. Puckett, Ford agent here, was seriously injured in an accident at Riverside Sunday and is in the Riverside Hospital. Present indications are that he will recover.

Mrs. Lillian Manker Allen spoke on "Conditions and Things of Interest in China," at the meeting of the Upland Woman's club in the clubhouse this afternoon. Following Mrs. Allen's talk, tea was served, and an informal afternoon enjoyed.

Miss Littioy is entertaining her brother who is here for a short time from Yakimah, Washington.

Unable to pay his fine of \$35, Herman Schrable left his automobile with the Upland police as bond until he can secure the money. Schrable was arrested by L. E. Kronmeyer of the Upland police department for reckless driving Jan. 8 and brought before Judge George R. Crane yesterday morning to answer the charge.

Charged with having been in possession of intoxicating liquor and narcotics, Theodosio Navarette who had been arrested by Deputy Sheriff J. A. Larson in Cucamonga Saturday, was sentenced to spend 60 days in the county jail by Judge George R. Crane in Upland court yesterday. When arrested, Navarette was in possession of a pint of whiskey and two marijuana cigarettes.

Pamico, the most popular fast color suiting on the market; 36 in. wide for only 35 cents a yard. Remember sale closes Saturday, Jan. 15th. Reynolds-Harnish Dry Goods Co. 7111.

Miss Helen Louise Samuels accompanied Miss Dorothy Williams to Los Angeles on Saturday evening where they enjoyed the dancing at the Cinderella Roof.

Mr. and Mrs. R. F. Briggs and their house guests, Mrs. Sam Jones of Covington, Tennessee, motored to Los Angeles Sunday where they heard Aimee Semple McPherson speak to several thousand people at the morning services at Angel Temple.

Mr. and Mrs. Joe Jost and their small daughter, Patricia Jost, were luncheon guests on Sunday at the home of Mr. and Mrs. J. B. Perschbacher on West Tenth street.

Mrs. Maud Brogan and her guests, Mr. and Mrs. Lee Chamberline and Don Riber, of Los Angeles, motored to Highland on Sunday where they spent a few hours.

Mrs. Bess Grisham entertained on Sunday her brother, Don McKean and Miss Minnie Harding from Long Beach. In the afternoon Mr. and Mrs. Joe Jost and their little daughter of Long Beach spent a few hours with Mrs. Grisham.

Mr. and Mrs. W. E. VanDusen of Pomona were week-end guests at the home of Mr. and Mrs. H. C. VanDusen, West Ninth street.

Mr. and Mrs. H. H. Cruzen of Ontario entertained on Sunday Mr. and Mrs. Earl Hoover of Whittier.

Silks and more silks—25 per cent means a quarter saved on every dollar. Crepe satins at \$2.63 a yard, crepe de chine \$1.31—good range of colors, all 40 in. wide. Better take advantage of these prices before the sale closes Jan. 15th. Reynolds-Harnish Dry Goods Co. 7111.

Rev. and Mrs. Sumner Reynolds and their children of Glendale were guests last Friday at the home of Mr. and Mrs. D. C. Morrison, 554 East Ninth street. They also visited Mr. Reynolds' father and sister, W. C. Reynolds and Miss Betty Reynolds before leaving for their home.

Mr. and Mrs. Ted Briegleb of Los Angeles spent the week-end at the home of the latter's parents Mr. and Mrs. Gus Anderson on East Tenth street.

Harry S. Fies was a business visitor in Los Angeles last Saturday evening.

TAILORING

Alterations of all kinds on Ladies and Mens Tailoring. L. Littioy, 185 1/2 Second Ave. 7014

Members of the Women's Board of the Chaffey Girl's Work held their regular monthly meeting last Monday afternoon at the Chaffey Apartment. Reports were read and work planned for the coming months.

Miss Lillian Lind, Miss Carroll Dart and Miss Lonella Whitney, members of Chaffey Girl Reserves, spent Saturday in Los Angeles where they attended a meeting of the President's council of Girl Reserves which was held from ten to twelve o'clock with a delightful luncheon session at noon. During the luncheon plans were discussed for the Girl Reserves convention, which is to be held in El Centro February 11, 12, 13 and at which six of the members of the local organization will be present.

January Clearance Sale at its height. Big values in blankets, bedding, etc. Reynolds-Harnish Dry Goods Co. 7111

A short course in millinery will be offered free of charge to the women of the community beginning tonight at 7 P. M. at Chaffey High School. This course is just what the housewife wants, being planned to cover the salient features of millinery, practical and to the point. This is not planned to develop the professional milliner, but to enable any woman to make her own hats. M. Newcomer is in charge.

Miss Hinkley, who recently returned from China where she spent five years associated with the Y. W. C. A., will be a guest of the Chaffey Junior College "Y. W." on Thursday. Miss Hinkley will also be honor guest at the dinner which will be served in the evening in the Model Flat and she is scheduled to give one of the talks of the evening.

SALE of delicious home cooked foods, under the direction of the 18th street P. T. A. members will be held at the Hayman & Rogers store all day Saturday. 7112

The light rainfall last evening amounted to only 0.4 inches making the total for the season 6.74 inches while at this time last season we had only a total of 3.53

Three hundred and ninety-two new books have been added to the general library at Pomona College since September 15, and twenty-four important volumes were added to the Mason Library of California and Western History. Other additions include forty-eight bound periodicals and six books by Pomona College alumni or faculty for the Pomonaiana collection. Two volumes have been added to the collection of books concerning China established in memory to Rev. William Scott Ament, D. D.

Marian Henderson, Dorothy Hill and Robert Meek, who were student delegates and Miss Lois LeBaron Avery, Mrs. Lana Conger and Miss Ruth Kwald of the faculty.

BRIDGE-TEA AT RED HILL COUNTRY CLUB

The regular ladies' monthly bridge-tea will be held at the Red Hill Country Club on Tuesday, January 18th, with the past year's committee, headed by Mrs. I. C. Baxter, acting as hostesses, pending the appointment of the new committee. Plans are being arranged for an especially pleasing tea with a delicious colation to be served at the close of the game. Lovely gifts have been selected as prizes for the winners and members are asked to telephone their reservations as soon as possible to the chairman, Mrs. Baxter, Upland 362.

MRS. ALLEN SPEAKER TODAY AT CLUB MEETING

Mrs. Lillian Manker Allen of Pasadena, will be the speaker this afternoon at the meeting of the Upland Woman's Club, which is being held at the club house on Second avenue. Mrs. Allen is taking for her topic "Conditions and Things of Interest in China," at the social tea which will follow the program. Mrs. P. H. McQuillen and Mrs. J. F. Sawyer will preside at the tea tables. Mrs. L. D. Temple, the president, presided at the business meeting which preceded the lecture.

ART CLASS ENJOYS INTERESTING MEETING

Featuring the afternoon session of the Art Class which met last Friday at the home of Mrs. H. W. Hawkinson on West Tenth street, was a talk on "Velaquez" given by Mrs. W. H. Andrews, which was greatly enjoyed by the members. The sonnets, statuary and works of the Sistine Chapel by Michael Angelo were discussed informally by the group under the capable leadership of Mrs. Hawkinson.

COMMUNICATED

EDITOR, UPLAND NEWS.

Dear Sir:

I see by your paper date of January 7, that representatives of the Ontario and Pomona Landries are kicking on paying the city license of \$25.00 per quarter. As to the Los Angeles firm selling a towel service to barbers and butchers who are paying only \$5.00 a quarter, their is different classification of business than that of the landries. If the city council places what they think is a fair rate on each firm for the kind of business done, and these same firms do not like the rate the city demands for the business taken from our city and for the use of our streets. Why they asked them to come here? If they do not like our methods, stay out. I notice that the Ontario Laundry runs two trucks in Upland most of the time, and that the Pomona Laundry runs one. Now here is my idea, if there is enough business to keep three trucks and three men busy it is time Upland wakes up and tells the world how much laundry business Upland supports. Some place around the old globe, there is a man or no doubt several men looking for a good laundry location. Men that would be satisfied with the business that could be handled by one delivery truck in the beginning. Think how many people in Upland could be supported on the labor it takes to keep these three laundry trucks busy, and the firms operating these same trucks object to paying \$100 a year for this business, they sure think a lot of Upland and its future growth in people and business. Why should not our grocer, our dry goods man, our clothier, our meat market, our shoe man and our garage man have a chance to get back some of the money he spends with a laundry. And Mr. Editor, I don't think your advertising columns are being crowded with ads from the Ontario and Pomona Landries, no doubt a Upland Laundry would spend some of the money made off of the laundry bills of Upland people with you as well as other Upland firms. Surely we have just as high a class of workmen and workwomen as the other cities and they need the work just as much. What is the

AYRES ISSUES A BUSINESS REVIEW

"For Once We Have Been Prosperous Without Getting Reckless," Says Vice-President of Cleveland Trust Co.

1926 A RECORD YEAR
Any summary of 1926 easily runs into superlatives. In production and not profits, taking industry the country over, it has set new high records, and the wealth created by this industry has been more widely and generally distributed than ever before. In some few lines, to be sure, there have been counter-currents. Nor has agriculture received its full share. In parts of the Middle West and in certain sections of the South, the story has not been so happily told. But when we foot up the many items in the 1926 ledger we arrive at a "grand total" of stupendous size, exceeding any previous year. Total production was 4 per cent above 1925; 15 per cent above 1924; 6 per cent above 1923, and 21 per cent above 1917, the best of the war years. Total profits for 1926 in the aggregate average about 25 per cent above last year.

WHAT OF 1927?
Business leaders generally assert that 1927 is to be another good year in all probability, but

matter with our Chamber of Commerce? Would not a laundry here cause Upland to grow? Would it not keep some of our money at home instead of helping make other cities when we need it? The Chamber of Commerce could do a good turn by spending a little money advertising in a Laundry Trade Journal, stating that Upland is a good location for a laundry. It will not be necessary to spend your time with bonus outfits, some man will appear who knows the laundry game and a good location when he sees it, and will invest his money in a business the same as the man in any other line of business because he sees an opportunity to make good. Tell the world Upland needs a laundry and we will get it.

Yours for Home Industry,
A CITIZEN.

not so good as 1926. The one or two who have dared to be definite in their prophecies, have stated that 1927 totals might run from 6 to 10 per cent over 1926. One expression, however, is found common to all. It is "be conservative."

AUTO, STEEL, BUILDING INDUSTRIES PROSPEROUS

Considering individually some of the accomplishments of 1926 and probable achievements in 1927, we note that the automobile industry starts the new year in a less favorable position than last January. October production was 23 per cent less than in 1925, November 30 per cent less, and December, not at present available, is expected to show still further decline. But for the whole period it was a record year which is not likely to be equalled in the one now beginning. This does not mean that it will be a poor year. No present evidence justifies any such estimate. It is practically certain, however, that total production will show some falling off in 1927.

Steel prospects are good for this year, building construction still maintains a high level, retail trade has been of record proportions, railroad tonnages have reached enormous totals and have been transported with less delay and confusion than in any former year. Among the unfavorable factors for the immediate future is the practical certainty of a bituminous coal strike in April. In that event, the present fortified strength of both sides would seem to give us the prospect of a long drawn out and bitter struggle. Labor conditions generally are good. William Green, President of the American Federation of Labor, in a recent statement forecasts continued prosperity and employment at high wages, making 1927 at least as good as 1926.

AGRICULTURAL 'LIGHTS AND SHADES' IN THE PICTURE

The agricultural picture is one of light and shades. The huge cotton crop in the South is a veritable "white elephant" resting its weight on this section. Notwithstanding the best possible handling and distribution of this crop it is felt that full recovery from its effects will not be made in less than two years. The world statistical position of

'CYCLES' LARGELY OUR OWN MAKING

The United States has for the past two years been borne on a high tide of prosperity never before experienced. And because of this fact, and the fact that it is still with us today, there has been much speculation as to how long these favorable conditions may be expected to continue. The old "cycle" theory has been brought out of the basement and its wheels oiled for possible use. We have been told that for every period of prosperity there must be a corresponding period of depression, from which no frantic efforts, no fervent prayers, can save us. Like the changing seasons, we are told, and the precession of the equinoxes, it is one of the orderly processes of the universe to which we must submit, but the truth of this assertion has never been proved. And Mr. Ayres expresses the opinions of some of the best economists of today when he says "For once we have been prosperous without getting reckless." For recklessness, over-production, and inflation, have been the causes of many of the past depressions which followed times of great prosperity. There was nothing foreordained about it; we brought it upon ourselves through lack of judgment and control. But the past two years have been notable for the conservatism and restraint shown by the business men of the country. And many of our commercial leaders do not hesitate to say that the prosperity which continues today is the reward of this levelheaded policy.

Power of Imagination
Mrs. Bridey (at 1 A. M.)—"Oh, Jack, wake up! I can just feel there's a mouse in the room." Husband (drowsily)—"Well, just feel there's a cat, too, and go to sleep."—Boston Transcript.

wheat is weak. The United States has a huge surplus for export, and the Canadian yield is enormously in excess of requirements. In the face of this, Australia and the Argentine report record crops. Under these circumstances, wheat exports will not command high prices. The world supplies for the 1926 to '27 season exceed requirements by, roughly, 150 million bushels. A late harvest, with shortage in shipping has further aggravated the situation.

INTERESTING NEWS ITEMS FROM CHAFFEY TATLER-THRASHER

SENIOR PLAY IS PLANNED TO BE FEB. 4 AND 5

Friday and Saturday, February 4 and 5, are the dates set for the Senior Play, "The Charm School." The cast, which has already been selected, is very capable and insures a wonderful production. "The Charm School" is a play in which a group of young men are living together in an apartment. One of their number inherits a boarding school for girls and all of the fellows go to help run the school. The leading part, that of Austin Benans, auto salesman with ideas, is taken by John Mehl. David MacKenzie, a law student who thinks Austin's ideas are not so good, is played by Thomas Hilberg. Robert Province, as George Boyd, is an expert accountant. Jim and Tim Simpkins are twins, who are strong for cooperation. John King as Jim and Howard Peltier as Tim, play these

parts wonderfully well. Homer Johns, guardian of the heroine, Benedotti, is portrayed by Edmond Cords, while Elise, who is President of the Senior Class at the girls school, is played by Juanita Lutz. The part of Miss Hays, principal of the school, is taken by Elaine Alexander. Miss Curtis, teacher at the school and "friend of the Senior Class," is very well played by Ida Vernon. A few of the girls in the Senior class are Sally Boyd, Florence Ashley; Muriel Doughty, Jeanette Davis; Alex Mercer, a little French girl, Anna K. Jassup, Ethel Spelmans, Sally O'Brien.

Everyone on the cast feels the responsibility which is theirs and are doing their utmost to memorize their "lines and cues" to make the production a success. Mrs. Kegley is working with these students every evening after school and is very well pleased with the progress which is being made.

The committees for the play were just recently chosen, but they have already started to do their part in making the play a success. The play committee was

made up of Gertrude Bond, chairman; Bob Stump, Florence Ashley, Harold Jordan, Art Flum, and Thomas Hilberg. Their main work was in selecting the play. The other committees chosen were: Costumes, Ralph Scott, chairman; Arline Harper, Jeanette Bryan, Janet Martin, and Bob Meek; Properties, Bob Stone, chairman; Della Smith, Mabel Webber, Clement Cole, and Randall Bryden; Stage, Ernest Williamson, manager; Herschel Teeter, Alfred Williamson, and E. Chapman. The Business Staff is composed of Advertising Manager, Gertrude Bond; Assistant, Bob Stump; Tickets, Harold Jordan.

The date as stated above is February 4th and 5th and the advance sale of tickets will start very soon, although that date has not yet been decided.

Did you ever try to unsay it with flowers?

A census of Bobby skirts was taken at Sabetha High School, Sabetha, Kansas. Thirty-six were found to be the number, with red the most popular color.

CHAFFEY J. C. ENTERS BASKETBALL SEASON—OUTLOOK ENCOURAGING TOMORROW NIGHT AT SEVEN-THIRTY

Daily Practice Has Perfected a Strong Team—Many Former Stars are Showing Up Well In Pre-Schedule Games

At last! Chaffey Junior College has again tossed her hat into the Southern Conference ring and the Panther cage artists are going to Citrus Union at Azusa to take one of casabateers of that institution for the first battle of the schedule Friday evening at seven-thirty.

The team has been working to get into shape, practicing five times a week under the tutelage of Coach Kaiser.

Several former high school stars have donned the Panther uniform and will be seen in action on the orange and lemon floor. Willard Dettweiler, Chester Stock, Lowell Bartlett and Earle Siechart were all outstanding players while in Chaffey High. George Beal, John Cummins and Kenneth Whitman shone at other schools. Merle Cook, a new man at the game is showing up exceedingly well in a guard position.

With Chet Stock, Dettweiler and Cummins as forwards; Beal and Siechart at center; Whitman, Siechart, Hawk, and Cook as guards, the team has a personnel that is hard to beat.

Coach Kaiser has expressed his pleasure at the work of the squad. He states that Chaffey has an excellent chance of coping the tilt.

The Junior College Conference is welcoming a new school this year in San Bernardino, there now being eight schools represented in the basketball schedule. They are: San Bernardino, Fullerton, Pomona, Citrus Union, Santa Ana, Pasadena, Riverside and Chaffey.

The schedule this year is to include two rounds, making fourteen games in all. According to sport writers, Pasadena and Riverside are the logical contenders for the confalon; but in all probability they have not seen the Panthers. The schedule for the first half is as follows:

January 8—Chaffey at Citrus; Pasadena at Fullerton; Riverside at Pomona; San Bernardino at Santa Ana.

January 12—Chaffey at Pasadena; Fullerton at Riverside; Santa Ana at Pomona; Citrus at San Bernardino.

January 15—Riverside at Chaffey; Santa Ana at Fullerton; Pomona at Citrus; San Bernardino at Pasadena.

January 19—Chaffey at Santa Ana; Fullerton at Citrus; Pasadena at Pomona; Riverside at San Bernardino.

January 22—Pomona at Chaffey; San Bernardino at Fullerton; Citrus at Riverside; Santa Ana at Pasadena.

January 26—Chaffey at Fullerton; San Bernardino at Pomona; Pasadena at Citrus; Riverside at Santa Ana.

January 29—Chaffey at San Bernardino; Fullerton at Pomona; Citrus at Santa Ana; Pasadena at Riverside.

HELEN GOODRICH ATTENDS MEETING HELD AT BERKLEY

Helen Goodrich, who has been probably the most active of the Junior College girls in the Chaffey Y. W. C. A. has been chosen as a member of the Conference Committee for that organization, which holds a meeting this weekend at Berkeley. The purpose of the meeting will be to make the necessary plans for the summer session of the regional Y. W. C. A. meeting which will be held at Asilomar during the early part of the summer.

Miss Goodrich was a resident at a summer camp at Asilomar last year. It was at this time that her ability as a Y. W. worker was discovered by the officials in this region. She has been able to bring to the Chaffey organization an unlimited amount of material which has been beneficial

RUSSIA IS TEXT FOR COMING J. C. FORENSIC MEET

RESEARCH WORK IS DONE Members of Former Debate Team Will Take Part In This Contest

Resolved: That this house favors the present foreign policy of the United States relative to Russia." is the question for the next Conference debate between Chaffey Junior College, Pasadena Junior College and Citrus Junior College, sometime near the first of February.

Chaffey will be represented by the same students that spoke in the last debate with Riverside and San Bernardino. As there was not time to hold a try-out before the Christmas vacation and as it was desired that some study should be done on the debate during the vacation, the same team, composed of Raymond Wilson, Norbert Farrell, Lloyd Hough, and Elbert Missildine, was retained.

Raymond Wilson and Elbert Missildine will uphold the Negative and will debate Pasadena Junior College at Pasadena, and Norbert Farrell and Lloyd Hough will uphold the affirmative and will meet Citrus Junior College at Chaffey.

As Pasadena Junior College won the championship in debate last year and Citrus Junior College holds the highest number of points so far this year, this is thought to be the closest contest of the debating season.

SOPHS WIN 11-10 FROM FROSH IN INTERCLASS TILT

Last Monday, fourth period, the Sophomore basketball team evened up the series with the Frosh by beating them, 11-10. The game was slow and there was much ragged playing by both teams. Two much candy and sweets during vacation was the reason given for the poor showing by most of the players.

Milo Vickery, Sophomore forward, was the star of the game, making several beautiful shots from the center of the court. Andy Wilkinson played a good game for the Frosh.

The series, which is for the best out of five games, now stands one all. The Frosh won the first game, 13-11. The next game will be played next Monday, fourth period.

Both teams want more rooters out. The spirit at the first game was splendid but at the contest Monday neither class was represented by a decent sized rooting section. The fellows play hard, the games are interesting if only from a rough and tumble aspect and more spectators should be out to help their respective teams to victory.

The line up for last Monday's game was as follows:
Sophmores 11 Freshmen 10
Jack Crossley.....G. Hayden Collins
Chas. Smith.....G. Merrill Smith
Geo. Frieberg.....C. H. Goodrich
Milo Vickery.....F. A. Wilkinson
Jack McIntyre.....F. Ed Olive
Substitutes—Sophmores: Evans for Frieberg; Frieberg for Smith.

DATE FOR CIVIC CONTEST IS SET BY MISS AVERY

WILL BE GIVEN JAN. 10 Wilkinson, Matlin and Cummins Will Be Speakers—Speeches are Fine

"The Boy Scout and His Relation to Citizenship," "Trading at Home," and "Getting Culture From Assembly Programs" are the topics to be spoken upon by Andy Wilkinson, Seema Matlin, and John Cummins respectively in the Annual Civic Contest to be held Monday, January 10.

This years contest promises to be one of the best yet held, because of the great deal of time which has been given by the contestants upon their topics.

The Civic Contest, which is sponsored by the Ontario Chamber of Commerce, was won last year by Hiram McCorkle with his speech on Trade at Home. The winner of this contest gets his name inscribed upon a silver shield donated for this purpose.

LEGAL NOTICES

NOTICE OF ANNUAL MEETING OF STOCKHOLDERS
Citizens Savings Bank
Upland, California

Notice is hereby given that the annual meeting of stockholders of the Citizens Savings Bank of Upland, California, will be held in its banking room at the corner of Ninth Street and Second Avenue in said city at nine o'clock A. BUCKEYES CALLED TO GREAT PICNIC REUNION

All who ever lived in Ohio are invited to meet for the great picnic reunion, all day Saturday, January 22nd in Sycamore Grove Park, Los Angeles. Come as early as possible and spend the day with friends. There will be county registers and headquarters so all can find the old neighbors even with ten thousand present.

There will be a brief program opening about two o'clock but the main purpose will be to have a good time. All the tourists and visitors from the old home state are invited as well as our residents. Bring lunch baskets well filled and share with friends. Coffee will be supplied for all.

Each one who learns of this picnic is asked to pass the word along.

Further information may be had of F. M. Bering, Tucker 1587, Secretary of the Federation of Ohio Societies, or of C. H. Parsons, Hotel Rosslyn, Faber 3300.

Practical Accomplishment
A pacifistic gentleman stopped to try to settle a juvenile row.

"My boy," he said to one of the combatants, "do you know what the Good Book says about fighting?"

"Aw," snorted the youth, "fightin' ain't one of them things you kin get out of a book, mister."—American Legion Weekly.

In the Death
Mrs. Taylor—"Was your theatre party a success?"

Mrs. Taylor—"Yes, indeed. We arrived in time to see almost all of the last act."—Life.

singer and nephew, Phillip Franklin, motored to Riverside Sunday where they were dinner guests of Mr. and Mrs. Richard Hanson, the latter a sister of Mrs. Mott's.

Mrs. B. H. Wilson motored to Loma Linda Friday after Mr. Wilson, who is now at their home in Amethyst street, recovering from a throat operation.

Mr. and Mrs. Wm. H. Rupp entertained at their dinner guests on Sunday at their home in Base Line, the former's sister, Mrs. R. C. Williams, and Miss Vera Rupp, both of Upland and Mr. Rupp's nephew, Kenneth Walby, on shore leave from the U. S. S. Nevada. Other guests that afternoon were Mr. Luther Emery from Los Angeles, and Miss Minnie Fink of Glendale.

Mrs. J. C. Powellson, who was quite ill last week with the prevailing gripp, is able to be out and about this week.

A delightful trip up above the snow line at Big Pines, Los Angeles Play Grounds, was enjoyed last Saturday by C. B. Mott, who was accompanied by his nephew, Phillip Franklin of Los Angeles.

Women's Home and Foreign Missionary Society of the Cucamonga M. E. Church met in regular monthly session at the church last Friday afternoon. It was "Home Study" week and the program was along those lines. An interesting letter from their missionary in India, Miss Sadie Smith, was read. Mrs. W. H. Rupp, president, presided.

Wm. R. Hallett, well-known vineyardist of South Turner avenue, expected to celebrate his seventieth birthday with a "stag" party at his home on the ranch, and a program of entertaining features is being planned by a committee of his brother Foresters which include a "chowder-bake."

FIRE CHIEFS MEET IN COLTON CITY

Fred Price Named President, F. H. Manker as Secretary—Mayor Francisco Also Attends Meeting

Bring the 1928 convention of the Pacific Coast Firemen's association to San Bernardino! This determination assumed a decided, optimistic aspect Friday night, during the second monthly meeting of the firemen's association of this district, including three counties and attended by more than 50 chiefs, members of departments and municipal officials, held at Colton.

The proposition took definite form when Chief Friend Lombra of Colton, following a prolonged discussion of the subject, moved that the chairman appoint a committee of three to investigate the feasibility of the movement and report at the next meeting, which will be held at Upland early in February. The members will be named later.

It was explained that, for \$10,000 or probably less, the 1,500 to 2,000 delegates expected at the next convention but one to be held by the coast firefighters embracing 11 states, together with their wives, could be appropriately entertained. Sentiment of the assembly favored going after the big 1928 gathering for the Gate City, assurance having been given that Secretary R. H. Mack and other members of the Chamber of Commerce would do their share in capturing the big prize. It was explained that each of the dozen or more cities belonging to the district association, would likely aid San Bernardino with the finances and that through concerted effort by the Southland, the meeting could be landed.

Firemen Elect Officers
All the boosting for the Gate City was done in the absence of a single accredited representative from the municipal fire department, or city law making body. However, Chief C. E. Wall, of Santa Fe fire department was present and pledged his co-operation in the plan.

Committee on by-laws, composed of Chief Lombra, Chief Hutchinson of Riverside and Chief Green of Redlands, reported that the task assigned was more forbidding than was anticipated and as a consequence, the report was not ready, excepting that it was recommended that, for the present the official roster be confined to president, vice president, secretary and treasurer. These officers were elected unanimously.

President, Chief Price, Ontario. Vice president, Chief Lombra, Colton. Secretary, Chief Manker, Upland.

Treasurer, Chief Hutchinson, Riverside.

Mayor Welcomes Delegates
President Price introduced Mayor Sam Andrews of Colton, who told the attendees that they were sincerely welcome and expressed the hope that every department represented, enjoys the confidence and respect that is accorded the Colton firemen.

Fire Commissioner Geldert of Venice told the firemen present that they are "doing the very best thing that could be done for the protection and safety of this valley."

Chief Schuman of Pomona suggested to the assembly that the very first thing the members should do is to induce their respective city boards enact good fire prevention ordinances.

Fire Commissioner Troutman of Ontario said co-operation between the fire fighting organizations and the various municipal departments is vitally essential.

Chief Wall of the Santa Fe shops at San Bernardino advocated uniform system of hose couplings.

Chief Hutchinson of Riverside talked on some of the organization's needs.

Mayor Francisco of Upland, offered the body his hearty felicitations.

Councilman Backstrand of Riverside advocated increased budgets for fire departments.

Chief Green of Redlands said that if complete co-operation between fire departments and city councils is achieved, the organization will have done well.

Select Name Later

The matter of a name for the association was deferred until the next meeting. Several suggestions were made, which will be considered in the meantime. They include, "Inter-Counties Protective association," "Citrus Belt Firemen's association," "Orange Em-

FERRIS WRITES LETTER HOME

Upland, Calif., Dec. 18.
Editor Transcript

I promised you a letter from California after living here long enough to know the real conditions. I can appreciate the desire of the millionaires and their paid boosters along real estate lines, taking advantage of the best known strip of land in the world, that of say seventy miles wide, extending from Los Angeles south along the coast and including the Imperial Valley, the coming metropolis of the nation. The minute the Colorado river is properly controlled and operated out of the hands of the politicians, this strip, though the Imperial Valley is many feet below sea level, will produce in abundance every kind of product to the delight and wonder of the nation.

Then, as many Transcript readers are aware, Upland, Ontario, San Bernardino and Riverside, not being far from the Imperial valley, will grow up over night. In fact, it is predicted that in less than ten years San Bernardino and Los Angeles will be one solid city. Old Baldy, 11,000 feet above sea level and in San Bernardino county, the largest in the world, is a landmark to be proud of.

We have had five inches of rain fall in the last ten days and you know the boosters say the sun always shines. Well it didn't for a few days. But it hasn't frozen yet, and as I sit at my window and note the beautiful snow cap of Old Baldy and the roses, chrysanthemums, geraniums, nasturtiums and violets, it seems like a good country to tie to. However, we need a few more young bloods to kill off the old political, died-in-the-wool dead, heads to make Southern California the greatest place in the world.

J. A. FERRIS.

IMMIGRATION STATISTICS

During the fiscal year ended June 30, 1925, says Secretary of Labor James J. Davis, a total of 496,106 aliens was admitted and 191,618 departed, resulting in an increase of 268,351 in the alien population of the United States. This is against a net gain in the alien population of the country of 232,945 in the preceding fiscal year, when 458,435 aliens were admitted and 225,490 departed.

Of the 496,106 aliens admitted in the last fiscal year, 304,488 were immigrants or newcomers for permanent residence and 191,618 were non-immigrants returning from a short visit abroad or coming for a visit to this country. Two-thirds, or 150,763, of the aliens departed this year were non-emigrants who were either here on a visit or intend to return after a temporary sojourn in a foreign country. The remaining 76,992 aliens leaving during the year were emigrants intending to make their future permanent residence abroad.

More Deadly Than the Male
Women may be as able as men at automobile driving, but we as an expert pedestrian, always jump faster and farther when we find ourselves in the path of a woman-driven car.—New York Herald Tribune.

pire Firemen's association, "Southern Counties Firemen's association" and "Tri-Counties Firemen's association."

By a rising vote, the Colton department was thanked for the courtesies shown. The local men had prepared a feast which was very much enjoyed by all and through special arrangements by Chief Lombra, the entire assembly witnessed a preview of the new and stirring film production "The Fire Brigade," staged through the courtesy of J. G. Knapp owner and Murphy Galloway, resident manager of the Colton theater. The next meeting will be held at Upland, probably the first Friday evening in February.

"The Fire Brigade" is a picture designed to bring before the public the importance of fire prevention rather than the importance of still greater effort toward putting out fires after they are underway.

Indications are that "The Fire Brigade" which is distributed by Metro-Goldwyn-Mayer will be shown here at the Colonial at a later date. Chas Ray is in the leading role with other famous actors assisting.

CHRISTMAS LONG REMEMBERED BY MEXICAN KIDDIES

Girl Scouts, Girl Reserves and Camp Fire Girls of Chaffey High School Played Role of Santa Claus

Christmas is not over! Not in the hearts of some 360 little Mexican kiddies, and their Mothers and Fathers in Chaffey Rural District. These little folks live in five of the twenty-six Rural Mexican Camps or Settlements which are scattered over the 260 square miles of the rural community reached by Chaffey.

But to go back to Christmas. These little folks scattered as they are in small settlements, and being a part of no town in particular, have had no organization to adopt them at Christmas time. In fact they were practically unknown to any Americans until Chaffey launched its its Americanization Program in the rural district about two and one-half years ago.

But this Christmas the Girl Scouts, Girl Reserves and Camp Fire Girls of Chaffey High School, under the leadership of Miss Lillian Lind General Secretary of Chaffey Community Girls' Work organization, and the troop leaders took Santa Claus with his Christmas Cheer into the lives of 110 families in five camps, Goastli, Lucas, Mission, Thomas and La-fourcade. Oh! what a Christmas it was—a bright Christmas tree, carols and jolly old Saint Nick giving to each child a toy, porcelain ball, rosy apple and a Christmas stocking just full of candy, nuts and little cakes.

Gay invitations had been taken by the girls ten days before and each girl was responsible for a family. She knew the age of each child and so made sure that he received a suitable present. For a great many of these little folks this was their first Christmas, and many of the little girls had never had a doll. When Santa and his helpers arrived in the camp, each child, with his invitation held securely in his hand, as if for a ticket of admission, scampered to the center of activity. The Chaffey Boys' Band was there and how the people did enjoy their gay music that they love so much and so seldom hear.

Sincere thanks is due to the following organizations and individuals, without whose financial help this party could not have been: The Upland Rotary, Upland Lions, Ontario Kiwanis, Ontario Current Events Club, Mrs. J. S. Armstrong, Mrs. J. D. Howe, Mrs. A. Kramer, Edith E. Bentley, and several generous other contributors who requested their names be withheld. Mr. Stevens of the Ontario Ice and Cold Storage Company donated the apples; Mr. Heinecke the trees; Mr. Newton the Christmas Seals for the invitations and Mac's Drug Store, Hayman & Rogers Grocery and the J. J. Atwood Company gave generous discounts.

However, the money without the enthusiasm, hard work and love of the Chaffey girls could not have made the party. To these girls it was a labor of love. It was the first time that anything of the kind had been attempted and it was a big undertaking. If its success is to be measured by the happiness and joy in the hearts of these dear little children, then a taxing of real worth was achieved. The light in the eyes of a child at the mere mention of the magic name of Santa Claus tells more than the tongue can tell. These little folk have felt the spirit of Christmas as symbolized in Santa Claus and so Christmas is not over for them as long as they have their happy memories of the "Grande Fiesta."

J. R. POOLE DIES AT HIS HOME IN VENICE SUNDAY
The many Upland friends of J. R. Poole, will be sorry to hear of his death, which occurred last Sunday morning at his home in Venice. J. R. Poole had been in excellent health and was enjoying with his wife and a few minutes before his death he was called. He is survived by his widow and seven children, four daughters and three sons. His daughters were all at the funeral and two of them accompanied the remains to El Centro where he was buried.

During his residence in Upland Mr. and Mrs. Poole lived on Fourth Avenue and they were closely connected with the Nazarene church. One of the daughters, Mrs. Ferris Steiner, resided here for several years.

"STAR-KIST" TO BE THEME OF NEXT ORANGE SHOW

STARLIT SOUTHLAND NIGHT TO BE CANOPY

Starry Dome To Curve Down Into An Attractive Horizon—More Than 10,000 Varieties Of Flowers To Be Used

With California chosen as the caption for the striking decoration scheme which has been selected for the forthcoming National Orange Show at San Bernardino February 17 to 27, details of the design—just made public—indicate that the setting of the show will be more beautiful even than the gorgeous backgrounds of past expositions.

An effect of starlit Southland night is to be maintained day and night in the great permanent building of the show, according to General Manager R. H. Mack. Sixty feet above the floor will be stretched a monster sky-blue canopy, stretched taut, and studded with stars to represent the major constellations of the Heavens. Thousands of lights will day and night keep those stars twinkling; then from the great blue dome will shine and flash the loveliness of such celestial friends as the Milky Way, the Great Dipper, or the gleaming planets—Mars and Jupiter and Mercury and Saturn.

This huge starry dome is to curve down into a horizon on all sides which will blend into a garden setting of the Southland, encircling the entire Orange Show building. More than 10,000 varieties of artificial flowers will be used in these gardens. The gardens, in turn, will surround 26 panoramic pictures depicting some of the outstanding scenes of scenic California. Set 20 feet above the rack displays of prize citrus fruit, these panoramas will be lighted with a striking system of colored illumination.

The scenes will include Torrey Pines, Mojave Desert by moonlight, bridge and tower of Balboa, Palm Canyon, Ft. Sutter at Sacramento, Arrowhead Springs, San Gabriel Mission and similar scenes.

Many taxpayers are not so enthusiastic over Will C. Wood because it was their job to pay the bills, but if Governor Young would appoint Merton E. Hill State Superintendent of Schools, the office would be economically and efficiently conducted.

We, his neighbors and friends wouldn't care to see him give up his work and residence here, but political jobs don't last long in this state, and it would be a lot of satisfaction to have Mr. Hill go to Sacramento and tell a few spend thrifths where to head in.

Policeman (to pedestrian, just struck by hit-and-run driver)—"Did you get his number?"
Victim—"No, but I'd recognize his laugh anywhere."—Life.

This and That

(Continued from Page 1)

cell, has just been appointed a member of the State Highway Commission, but a lengthy editorial in The Sun doesn't use its former procedure about appointing Mr. Baumgartner because he owned an influential newspaper in the south.

Mr. Baumgartner is a capable newspaperman and a capable business man and is a student along all lines of endeavor, but when it comes to State Highway Commission work, it's going to be a new line for him. Of course, he has been riding over California roads, like the rest of us and has taken an active interest in assisting to make California an ideal place in which to live, but in his new job he'll be as green as grass for several months.

The fact that he owns about the only newspaper in Orange County that supported Governor Young was not the reason he was appointed. Things political have changed since The San Bernardino Sun got a seat in the band wagon and we are interested in who will get the plum that comes to the next newspaperman in this county.

A Suggestion
Governor Young and his supporters probably are not interested in suggestions from rank outsiders as to appointments. But rumor has it that we are going to get rid of Will C. Wood as head of the schools and put him over in the banking department.

In this state there is just one high school and junior college that stood out in a class all its own when it came to getting a full dollar's worth for every dollar expended and that was Chaffey Union High School and Junior College. M. E. Hill is the man quite largely responsible and although Mr. Hill doesn't care to take all the credit, those who are working with him state that he's the man that accomplished the building of the school in so economical a manner.

Many taxpayers are not so enthusiastic over Will C. Wood because it was their job to pay the bills, but if Governor Young would appoint Merton E. Hill State Superintendent of Schools, the office would be economically and efficiently conducted.

We, his neighbors and friends wouldn't care to see him give up his work and residence here, but political jobs don't last long in this state, and it would be a lot of satisfaction to have Mr. Hill go to Sacramento and tell a few spend thrifths where to head in.
